## **About the Artist**

---

Matthew Edward Coburger is a landscape photographer who resides in Piscataway, New Jersey. He has been professionally photographing breathtaking images since 2004. Matthew graduated with a Bachelors of Fine Arts in Photography from the University of the Arts in Philadelphia, Pennsylvania in 2010. During Matthew's time at UARTS, he focused most of his creative energy into Fashion Photography. Following graduation, Matthew worked with Michael Yamashita, a photographer whose work is frequently featured in National Geographic magazine.

Recently, Matthew's focus has shifted to capturing beautiful landscapes across North America. His travels have taken him to the banks of the Delaware River in New Jersey, the rural countryside of Susquehanna County in central Pennsylvania, down to the beautiful Captiva Island off the Gulf Coast of Florida, all the way to the awe inspiring mountains in British Columbia, Canada and the captivating sights of the Grand Canyon in Arizona. Matthew will be showing a selection of landscapes from the locations listed above.
