Communication Tips and Techniques in Alzheimer's Disease

As Alzheimer's disease progresses, people with the disease lose their ability to use words to communicate.

Learn how to enhance communication at each stage of the disease.

This presentation is designed for caregivers and attendance is not recommended for persons with dementia.

**Monday, June 18
6-7:30 pm**

**Sadie Pope Dowdell
Public Library**

Adjacent to the South Amboy
Middle/High School off O'Leary Blvd.

There is no fee for attending this program, however,
pre-registration is required.

You can register online at
alznj.org

Or call **732-721-6060**
or **888-280-6055**

425 Eagle Rock Avenue, Suite 203
Roseland, New Jersey 07068
